Harshal Kardile

Course : B.Sc. (Computer Science), 2021   Email : harshalkardile01@gmail.com
CGPA : 7.1
Mobile : +91 8999936194

Objective:

A recent graduate in computer Science with significant hands on experience using C, Java, PHP and Data Structures.

Academic Details :

Course	Specialization	Board/University	Score	Year
B.Sc.	Computer Science	Pune University (SPPU)	67.79%	2021
Class XII	12th	State Board Of Maharashtra (HSC)	52.00%	2018
Class X	10th	State Board Of Maharashtra (SSC)	72.20%	2016

Projects :

- **Project Title** : **Gym Management System** [source-code]

    - Designed and developed a web application that helps administrator to **manipulate data**.
    - Implemented functionalities including **create, read, update and delete**.
    - Reduced time consumption of members & administrator and maximize productivity by **70%**
    - Technologies used **HTML5, css3, php7, JavaScript, PostgreSQL**.
    - Web server for locally testing **Apache2**.
    - Hosted Website using **Firebase**, link.

Work Experience :

- Worked as a Breeding checker for Medical Department in Pimpri Chinchwad Municipal corporation assigned by Maharashtra Government under National project "**National Insect Disease Control**".

    - Visiting around 50 houses a day includes Apartment & Societies .   [08 Feb.2021—31 Mar. 2021]
    - Creating daily report of gathered & delivered information and Updating google sheet.   [14 Sep 2021 — 13 Feb. 2022]
    - Worked during **COVID-19 Pandemic**.

Achievements:

- Achieved the place in 21 candidates as a Breeding checker among approx. 600 applicants on the basis
  of communication skills.   [8 Feb. 2021]

Strengths:

- Excellent **communication skill**
- Ability to grasp the **new skills** quickly
- **35+ WPM** Average typing speed

Technical Proficiency :

IT Constructs	: System Programming, Object Oriented Programming, DBMS, OS & Data Structure.
Programming Languages	: Java (Core, Advance), C, Scala basics, PHP, SQL.
Operating Systems	: Ubuntu 18.04.5 LTS.
Databases	: PostgreSQL, Neo4j.
WEB Tools	: HTML, CSS, XML/JSON, Ajax.
WEB Servers	: Apache2, Tomcat, Nginx.
Interests	: Cloud Computing, Artificial Intelligence & Machine Learning.

Hobbies :

Playing on ground games like Football, Cricket, volleyball, Working Out, Playing Pool.
